

# Left Hand and Right Hand

## Exploring Finger Numbers

### Tips from Tap:

1. Can you fit your hands over these hands? Can you find the L of the left hand?
2. Your teacher will sing, "Mary had a little lamb, little lamb, little lamb. Mary had a little lamb, she pet it with her **LEFT** hand (or **RIGHT**)." Quickly put your hand over the one sung. Repeat!
3. Wave "hi" to Tap with fingers 1, 2, 3, 4, and 5.
4. Sing and do finger motions for *This Old Man* with the audio.
