

Dallas Dips R.H. Donuts

Sounds Going Higher on White Keys

When you play the high keys, the sounds are higher!

LOW

HIGH

1. In the air with your teacher:

Pretend to dip a **R.H. 3-1 donut** in milk by dipping from your wrist. Say, "Dip, dip, dip, dip."

2. On the keyboard:

Start on **MIDDLE C** using a **R.H. 3-1 donut**. Play all the white keys going **HIGHER**—to the right. Then play, keeping a steady beat with the teacher duet or audio!

Teacher Duet: (Student begins on Middle C.)
