

the Time Keeper

_____ (your name)

1. Trace the first bar line.
2. Then draw a bar line after every **4 beats**.
3. Tap each rhythm **hands together** on the closed keyboard lid. Count aloud.

4/4 quarter quarter | quarter quarter quarter half quarter quarter ||

4/4 quarter quarter quarter quarter quarter quarter half quarter quarter quarter ||

Can you tap the rhythm in the **RED** box while your teacher taps the rhythm in the **BLUE** box?
Then reverse!
