

Though Bach's music is over 250 years old, it has influenced all kinds of music—from choir music to pop sounds of today.

Here, Bach's minuet is changed into a "pop" song.

- Add bar lines after every 4 beats. Notice the time signature changed from  $\frac{3}{4}$  to  $\frac{4}{4}$ .
- Write 1 - 2 - 3 - 4 for the correct beats in *measures 1-7*.
- Play with the teacher duet.  
Which version of Bach's melody do you like the best?
