

Congratulations! You've completed your 2A Theory Book adventure. Celebrate by creating the music for the Snake Charmer's party.

Improvise "snake charmer" music by doing the following:

- First, listen to your teacher play the accompaniment. Feel the mysterious mood.
- With your R.H., begin playing notes from the **G minor pattern** IN ANY ORDER. Notice the C# on finger 4 creates an exotic sound.
- To end, fade to nothing with the teacher duet. Then play a *forte* G minor chord together!
