

# Black-Key Groups

Two and Three Black Keys

Black keys are  
in groups of 2

and 3.

1. Play and count all the **2-black-key groups** on the piano. How many are there?

Circle the friend with the correct number.

Millie

Marta

Dallas

2. Play and count all the **3-black-key groups** on the piano. How many are there?

Circle the friend with the correct number.
