

# 8th Notes

2 eighth notes equal a quarter note

run - ning      =      walk
   
 ti - ti                      ta

Think of eighth notes as *running* notes.

- Tap and count these rhythms with your teacher.
- Now write 1 2 3 4 under the correct beats. Your teacher will help you.

1. ||

walk      run - ning      walk      run - ning      walk      run - ning      walk      walk

ta      ti - ti      ta      ti - ti      ta      ti - ti      ta      ta

Ex. 1      2      3      4

2. ||

run - ning      walk      run - ning      walk      run - ning      walk      walk      walk

ti - ti      ta      ti - ti      ta      ti - ti      ta      ta      ta

3. ||

run - ning      run - ning      walk      walk      run - ning      run - ning      walk      walk

ti - ti - ti - ti      ta      ta      ta      ti - ti - ti - ti      ta      ta      ta
