

# The Music Alphabet

Each white key on the piano has a name that comes from the music alphabet.

The music alphabet has 7 letters:

**A B C D E F G**

- Write the music alphabet. \_\_\_\_\_

## Alphabet Warm-up

Use the third finger supported by the thumb.  
L.H. plays the lower notes, R.H. plays the higher notes.

1. **Play** and **say** the white keys. Start with the lowest key, A, and end with the highest key, C.
2. Practice finding Gs within the 3-black-key group.
3. Beginning on any G, **play** and **say** the music alphabet *going down* the entire keyboard. What is the lowest note?  
It may help to chant the letters in groups, like this:
