

## LEVEL 7 REPERTOIRE REQUIREMENTS

- Four pieces must be performed.
- Two pieces must be memorized. A second original score is required for un-memorized music.
- One piece from this list is required for CM Evaluations.
- Remaining repertoire must be at or above the student's enrolled level.
- Each piece must be from a different category, and by a different composer. (Some composers are listed in two different categories. These are transitional composers and may be used for one of the categories in which they are listed, but not both.)
- Repertoire listed as "not" may not be used for the Level, either as a syllabus piece or as another repertoire piece.
- Editions are suggestions only. Any edition may be used. Publisher abbreviations are on pp. 159-160.
- Photocopies are not allowed. Downloaded music must include an authorized logo or source.
